

ADITH M S

UI/UX DESIGNER | UI/UX DESIGN INTERN | DIGITAL PRODUCT DESIGN

Thrissur, Kerala 680581 | +91-7025567227 | adithms32@gmail.com | LinkedIn: <https://www.linkedin.com/in/ad1thhms19032005> | Portfolio: <https://www.behance.net/gallery/253263937/Portfolio>

PROFESSIONAL SUMMARY

Entry-level UI/UX Designer and BCA graduate with practical experience in user research, user flows, wireframing, prototyping, visual design, and high-fidelity UI design. Skilled in Figma and experienced in creating user-friendly and visually appealing web and mobile interfaces. Strong foundation in design principles, responsive design, interaction design, and design systems, with practical project experience and an ability to understand user requirements, solve usability problems, communicate ideas, and collaborate effectively with team members. Motivated to continue learning and building a career in UI/UX and digital product design.

CORE SKILLS

UI/UX Design: UI Design, UX Design, User Research, User Requirements, User Flows, Interaction Design

Design Process: Wireframing, Prototyping, High-Fidelity UI, Visual Design, Design Thinking, Information Architecture

Design Principles: Typography, Color Theory, Responsive Design, Accessibility, Design Systems, Reusable Components

Tools: Figma, Affinity, Framer, Canva, Adobe photoshop, Chatgpt, Adobe Lightroom

Web: HTML, CSS

Professional Skills: Creative Thinking, Problem Solving, Communication, Team Collaboration, Usability Improvement

UI/UX EXPERIENCE

UI/UX Designer Intern | Knovista Technologies Pvt. Ltd., Ernakulam, Kerala | Apr 2026 – Jul 2026

- Designed user-centered and visually consistent interfaces and interactive prototypes for web and mobile applications using Figma.
- Conducted user research and analyzed user requirements to identify usability issues and support improvements to the product experience.
- Created user flows, wireframes, high-fidelity UI screens, and interactive prototypes based on product requirements.
- Applied visual design and design principles to create intuitive layouts with consistent typography, spacing, and components.
- Developed reusable components and design patterns to improve consistency and design efficiency across screens.
- Collaborated with team members to communicate design ideas and support the development of practical digital product solutions.

PRACTICAL UI/UX PROJECTS

Cuppa – Tech Café Experience | Figma | UX Research | UI Design | Prototyping

- Designed a technology-focused café app combining food ordering, workspace reservations, community, rewards, wallet, and AI assistance.
- Created user flows, wireframes, high-fidelity interfaces, and interactive prototypes for tech professionals, freelancers, interns, and remote workers.
- Designed a premium dark-themed UI, reusable component system, and admin dashboard for orders, sales, expenses, and performance.

Lynx – Clothing Platform | Figma | UI/UX | Prototyping

- Designed a user-friendly clothing shopping experience focused on intuitive product discovery and streamlined navigation.
- Created user flows, wireframes, product pages, and high-fidelity interfaces using consistent typography, spacing, and reusable components.

OneTrip – Himalayan Trekking Platform | UX Research | UI Design | Figma

- Designed an affordable 5-day Himalayan trekking webpage focused on simplifying trip discovery and planning.
- Addressed user pain points including lack of guidance, high costs, and complicated planning through a clear information structure.
- Created user flows, wireframes, visual layouts, and interactive prototypes for a practical digital experience.

EDUCATION

Bachelor of Computer Applications (BCA) | Paramekkavu College of Arts and Science, Thrissur | Calicut University | 2023–2026

Higher Secondary – Computer Science | St. Thomas HSS, Thope, Thrissur | 2021–2023

SSLC – Electronics and Electrical | Technical High School, Thrissur | 2018–2021

RELEVANT COURSEWORK

User Research | Interaction Design | UX Design | Visual Design | UI Design | Prototyping | Design Thinking | Responsive Design | Information Architecture | Design Systems
