ADITH M S

UI/UX DESIGNER | PRODUCT DESIGNER

Thrissur, Kerala 680581 | +91-7025567227 | adithms32@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

I'm an entry-level UI/UX Designer and BCA graduate with hands-on experience in user research, wireframing, prototyping, and UI design. I use Figma to create simple, user-friendly, and visually appealing web and mobile interfaces. I enjoy understanding user needs, solving design problems, and creating better user experiences. I'm eager to learn new skills and grow as a UI/UX Designer.

CORE SKILLS

UI/UX Design: UI Design, UX Design, User Research, User Requirements, User Flows, Interaction Design.
Design Process: Wireframing, Prototyping, High-Fidelity UI, Visual Design, Design Thinking.
Design Principles: Typography, Colour Theory, Responsive Design, Accessibility, Design Systems, Reusable Components.
Tools: Figma, Affinity, Framer, Canva, Adobe Photoshop, ChatGPT, Adobe Lightroom.
Web: HTML, CSS
Professional Skills: Creative Thinking, Problem Solving, Communication, Team Collaboration.

WORK EXPERIENCE

UI/UX Designer Intern | Knovista Technologies Pvt Ltd, Ernakulam, Kerala | Apr 2026 – Jul 2026

- Designed user-friendly web and mobile interfaces using Figma.
- Researched user needs and identified usability issues to improve the user experience.
- Created user flows, wireframes, UI screens, and interactive prototypes.
- Used consistent colours, typography, spacing, and layouts to create clean designs.
- Created reusable components to maintain consistency across screens.

PROJECTS

Byte & bean | Figma | UX Research | UI Design | Prototyping

- I designed a tech cafe app for professionals by combining food ordering, workspace reservations, community, and AI assistance.
- Created user flows, wireframes, high-fidelity interfaces, and interactive prototypes.
- Designed a modern dark-themed UI, reusable component system, and admin dashboard for orders, sales, expenses, and performance.

Lynx – Clothing Platform | Figma | UI/UX | Prototyping

- I designed a user-friendly traditional clothing shopping experience focused on helping users easily find products and navigate the app smoothly.
- Created user flows, wireframes, product pages, and high-fidelity interfaces using consistent typography, spacing.

One trip – Himalayan Trekking Platform | UX Research | UI Design | Figma

- I designed an affordable 5-day Himalayan trekking webpage focused on simplifying trip discovery and planning.
- Addressed user pain points including lack of guidance, high costs, and complicated planning through a clear information structure.
- Created parallax website using visual layouts, and interactive micro-animation for a smooth digital experience.

EDUCATION
